Client Focused Search
Why we are different

The Four Pillars - Four Critical Components Companies Demand

- **Specialization in the Client's Market Segment**
 - Each assignment is handled by a tenured search consultant
- **Tenured Track Record of Success**
- **Search Flexibility - Financial**
 - Needs are determined
 - Your investment in Human Capital
 - By the complexity of the assignments
 - Urgency (Degree)
 - How competitive is compensation
 - Company market reputation
 - How well established is the client
 - Importance of candidate image
 - How long have searches been open

Perhaps Most Important

- Agreement and maintenance of the search process
- Relationship and terms are flexible - will reflect company needs and budget
